11th October 2004 – For Immediate Release

Play Golf for a Day to Help the Kids of WA

Kidsafe WA, the leading non-government, not for profit organisation dedicated to the prevention of unintentional childhood injuries, is holding its second Fundraising Golf Day. The event will be held at the Western Australian Golf Club, Yokine on Monday October 11. Funds raised from the event will help the organisation to continue to work towards 'A Safer World for Kids'.

The last event held in October 2002 raised over \$15 000. Monies raised were used by the organisation to fund the ongoing safety activities and programs run to raise the community's awareness of the importance of preventing unintentional injuries to children.

Team registration will commence at 11.30am followed by a sausage sizzle lunch and putting competition. Shotgun tee off is at 12.30pm with an Ambrose competition. The day will conclude with a buffet dinner and trophy presentation at 6.30 followed by an auction.

Sue Wicks, Chief Executive Officer of Kidsafe WA, said that she expects the day to be a success, as the event provides a fantastic opportunity to aid the organisation in it's cause.

"Our Golf Day is a fantastic opportunity for people who would like to support child injury prevention and have fun while they do it."

The continued operation of Kidsafe WA is dependant on funding obtained from donations, fundraising, income generated by Kidsafe WA Resource Centre activity, corporate sponsorship and specific project funding.
